Dear Authors,

We are pleased to inform you that your Late Breaking Results Poster

“Accessibility-Aware Public Transit Transfer Routing for Wheelchair Users"

has been accepted for presentation at the 2026 IEEE 29th International Conference on Intelligent Transportation Systems (ITSC), taking place during September 15-18, 2026 in Naples, Italy.

Acceptance of your Late Breaking Results Poster requires that you register by paying one full registration fee according to your registration profile and attend to present your work.
Details about the program and schedule will follow.

Important instructions:

- You must be registered (for the registration, please see the instructions at: https://ieee-itsc.org/2026/attend/registration/)

- Once the Registration payment is completed, you will soon be receiving the acceptance letter via e-mail (submission address).

-Submission of Final Materials (if any change with respect to the initial submission) July 5 2026

- The deadline for registration is July 5, 2026.

Presenters interested in financial support are encouraged to apply for the IEEE ITSS Travel Grants; eligibility criteria and application guidelines are available at: https://ieee-itss.org/conf/travel-grants/

On behalf of the ITSC 2026 Organizing and Program Committees, thank you for your valuable contribution.
We look forward to your participation at the 2026 IEEE 29th International Conference on Intelligent Transportation Systems (ITSC)!

Yours sincerely,

Dear Hongxin Su,

It is my great pleasure to invite you to participate in the IEEE International Conference on Intelligent Transportation Systems (IEEE ITSC 2026), which will be held from **September 15** to **September 18, 2026**, in **Naples, Italy.**

You are **invited to attend IEEE ITSC 2026 and present your work**

"Accessibility-Aware Public Transit Transfer Routing for Wheelchair Users"

We kindly recommend that you make the necessary travel arrangements and visa applications as early as possible to ensure timely arrival at the conference venue, the **Convention Bureau Stazione Marittima** (Molo Angioino – Napoli 80133. https://cbnapoli.it/naples-maritime-station/).

IEEE ITSC 2026 is one of the flagship conferences of the IEEE Intelligent Transportation Systems Society (**ITSS**) and serves as a premier international forum for researchers, developers, practitioners, policymakers, and regulators to present their latest work and to discuss research in the field of Intelligent Transportation Systems, conveying new developments in theory, analytical and numerical simulation and modeling, experimentation, advanced deployment and case studies. Information about the technical program and additional conference details is available at:

https://ieee-itsc.org/2026/

Please note that this letter does not constitute any financial commitment by IEEE ITSC 2026 or the IEEE ITSS to cover expenses related to travel, accommodation, or participation in the conference.

Should you require any further assistance from the IEEE ITSC 2026 Organizing Committee, please do not hesitate to contact us.

Thank you for your attendance to IEEE ITSC 2026. I look forward to welcoming you to the conference and to the city of Naples Italy.

Your sincerely,

General Chair, IEEE ITSC 2026
Stefania Santini
